

BREAKING GROUND: CELEBRATING 125 AND 120 YEARS OF DOCTORAL RESEARCH EXCELLENCE

**PhD Scientific Day
Doctoral School of Management Sciences
ULiège-ULB-UMons**

November 17, 2023

DATE:

November 17, 2023

LOCATION:

HEC Liège, Management
School of the University of
Liège

Rue Louvrex 14, 4000 Liège

CO-ORGANIZED BY:**AUDIENCE:**

Doctoral researchers

CALL FOR APPLICATIONS

The selection of participants will be made based on the following criteria:

- Number of course credits already acquired in the doctoral training; we give preference to candidates that are well advanced in their program
- Number of previous presentations in conferences and seminars; we give preference to candidates who still need to develop their CV and acquire credits; as well as those that have not presented their papers more than twice
- Diversity of fields represented

The scientific committee will select candidates based on the above or on additional criteria, as necessary.

10:00 Participants set up their posters

10:15 Welcome address

10:20 Poster session

11:50 Poster session vote and winner

12:00 Lunch

13:00 6 PhD Presentations

16:00 Drink

The call for applications closes on August 15

Notification of acceptance will be sent to candidates on August 31

Interested candidates should send an extended abstract (maximum 500 words) stating their interest (poster session or regular presentation) to:

doctorat.hec@uliege.be
